- Five disengageable punch pins for a clean punch with multiple paper sizes.
- Punching margin control provides the correct punch margin depth for each coil size and maximizes the document's tear resistance.
- Open punching throat and continuous punching guide for easy alignment and punching of longer documents.
- Side margin control provides an evenly centered punch for all document sizes.
- Foot pedal operated electric roller inserter allows the free use of both hands and grants the operator complete rotating control of the roller.
- Electric inserting drastically reduces time and costs by making the inserting surprisingly fast and easy.
- Includes coil selector and coil crimpers.
