

Akiles Coilmac M 4:1 Plastic Coil Binding Machine

The Akiles CoilMac-M renders efficiency and productivity. Its high quality components and full range of functions make it the most complete and durable equipment in its class, ideal for higher volume binderies and copy centers.

Our Price: \$335.00

- Five disengageable punch pins for a clean punch with multiple sizes.
- Punching margin control provides the correct punch margin for each coil size and maximizes the document's tear resistance.
- Side margin control provides an evenly centered punch for all document sizes.
- Includes: coil selector, waste drawer and optional spiral coil pliers.
- Open punching throat and continuous punching guide.
- Inserting table expedites the inserting of the coil, reducing coil binding time.
