

Akiles Diamond-1 (1/4") Corner Rounder

The Akiles Diamond-1 Corner Rounder is carefully crafted with only the highest quality components and works with all standard materials like PVC, polyester, leather, paper, and other plastic products. This is the strongest and most efficient manual corner rounding equipment in its class.

- Specially designed to cut through multiple sheets with the least effort possible and minimum die depreciation, creating a higher level of productivity
- Practical interchangeable die system
- Ideal for rounding covers, pouches, pictures, all types of IDs, invitations, postcards, etc
- "L" guide and Radius alignment guide included
- Accepts full range of interchangeable cutting units up to 3/8", plus straight and half-moon cutting dies
- Cuts up to 2/5" of paper or plastic products
- Includes plastic pads which protect the blade and make it last longer
