

# Akiles Offibind Plastic Comb Binding System

The new **Akiles Offibind comb binding system** not only binds documents from 3/16" to 2" thick, it also comes with 3 disengageable punch pins, allowing you to punch multiple paper formats, including letter and A4 size. An easy, fast and practical binding machine ideal for offices, small binderies, copy centers, home offices, teachers and students.

- Progressive Punch Margin Control: Provides the correct punch margin depth for each comb size and maximizes the document's tear resistance.
- Die Disengaging Pins: For a clean punch of multiple paper sizes.
- Side Margin Control: Provides an evenly centered punch for all document sizes.
- Waste drawer.
- One-year limited warranty.
