

Akiles Wiremac-Duo 2:1 & 3:1 Wire Binding Machine

The Akiles WireMac-Duo is based on the best selling WireMac (available in a 3:1 or a 2:1 model), the WireMac-Duo has both die sets installed in one single unit, with no need to change dies. This new wire binding system is all you need to wire punch and bind from 2 sheets to over 200 sheets!

List Price: \$999.00

You Save: 35.04%

Our Price: \$649.00

- One wire binding machine punches and closes both 3:1 and 2:1 pitch wires.
- Binds books from 3/16" to 1-1/4" using double loop wire.
- Punches up to 20 sheets of 20lb bond paper.
- 14" punching width with open sides for even wider documents.
- All dies can be independently disengaged to allow the punching of any size document while preventing partial side-end perforation.
- All metal construction.
- One-year manufacturer's warranty.
