

Nanoshred 726

FEATURES: This professional shredder is equipped with the highest security level.

- Automatic start/stop control.
- Rocker switch for on/off and reverse.
- Special feed opening for code tapes.
- LED indication when waste container is full or door is open.
- Standby operation without energy consumption.
- Powerful drive for high performance; motor protected with thermal fuse.
- The tried-and-tested closed-tooth wheel prevents penetration of dirt and slows wear, increasing the service life.
- Department of Defense approved for highest quality in secure shredding.
- Small compact design allows the shredder to be placed practically anywhere.
