

M I G H T Y L A M 2 7 0 0 H C

The newly-redesigned **MightyLam 2700HC Laminating/Mounting machine** can be used as a laminator in a quick print environment or for laminating/mounting of imaging output up to 24" wide. The MightyLam 2700HC features hot and cold lamination with dual heated rollers, release liner take up, and a 1/4" mounting capability. Affordable and functional, the MightyLam 2700HC is capable of running all types of cold and heat-set pressure sensitive laminates and adhesives and encapsulating with true thermal laminates. The MightyLam 2700HC features a "heat assist" mode (top roller heat only) that delivers the perfect heat level to increase initial adhesion and clarity of slow curing pressure sensitive films, lessening the time to receive finished output suitable for display. Now you can experience incomparable laminating quality and value with the plug-and-play MightyLam 2700HC Laminating/Mounting machine.

FEATURES

The **MightyLam 2700HC Laminating/Mounting machine** offers carefully designed features intended to quickly get you up and running. The easy-to-use design makes the operator's job simpler with features such as:

- 1" supply mandrels with 3" core adaptors included
- Independently controlled top and bottom heat
- Electronic heat control with LED readouts
- Variable speed control
- Forward/reverse switch
- 2" (5.08cm) diameter silicone heated laminating rollers
- Pull rollers
- Forced air cooling (fans)
- Clear polycarbonate safety shield
- Laminates up to 10 mil. film
- Mounting capability up to 1/4" (6.35mm)
- Adjustable supply roll tension
- Take up mandrel for release liners on P/S film
- Adjustable slitters
- Heavy-duty DC motor

MightyLam 2700HC Laminating/Mounting machine

(BA-ML27HC)

Plastic Width Capacity	27" (68.6cm)
Speed	0-10' per/minute (3m/min.)
Laminating Rollers	2" (5.08cm) diameter - heated
Film Supply Core Size	1" (2.54cm) & 3" (7.62cm)
Maximum Film Roll Diameter	6" (14cm)
Machine Dimensions	37" L x 18" H x 21" D (94 x 46 x 53cm)
Shipping Dimensions	40" L x 20" H x 24" D (102 x 51 x 61cm)
Net Weight	83 lbs. (39kg.)
Shipping Weight	95 lbs. (43kg.)
Heater Wattage	1560 watts
Power Requirements	20 amps, 120 VAC, 60Hz

MightyLam 2700HC is available in 220 volt
